HOWARD PRIMARY PTA

3rd May 2017

Dear Parent/Guardian

Thank you for your continued support – our new picnic tables have arrived for the playground and look great; a supply of dictionaries and thesauruses have been purchased along with book scanners!

WHERE'S WALLY

We are supporting the school council in raising money for a defibrillator. The school council members will be going around classrooms selling 'Where's Wally' posters over the next few days. Hidden in these posters are some of the school staff!

There is a poster for nursery, a poster for P1-P3 and a poster for P4-P7. Posters cost £1 each. All completed posters returned will have their names put in a hat and a winner out of each class will win a large packet of sharpie pens and for the nursery age, a colouring in set.

FUN NIGHT

Please see attached letter regarding fun night.

Thank you once again

Howard Primary PTA
